21 JUNE 2024

Dear Parents and Guardians

Last Friday was such an amazing day! The weather was beautiful and there was a great turn out of parents, guardians, grandparents, aunts, uncles, cousins, neighbours and other significant people in our young people's lives who came to be celebrated as VIPs. Our Very Important Person chapel was a highlight, where the students proudly honoured the important people in their lives in a range of ways, along with some instrumental music items and worship songs to God.

It was a privilege to invite our visitors into classrooms to engage in different activities with the students, before celebrating with an afternoon tea provided by our catering team of staff, students and PCF. As the mix of generations sat and enjoyed some food and time together, I imagined Jesus smiling. When He was on earth, he was often sitting with people around food, and inviting all generations to sit with Him.

I also watched another awesome event occur on Friday. Our student and community leaders had organised for a game of Capture the Flag to occur on the oval with all the secondary students. What a joy it was to see young people just enjoying a simple, fun activity together. Finally at the end of the day, the kayaking campers came home safely after enjoying the beauty of God's great outdoors.

God created us to live in community and Friday was a reminder of how good it can be when we take the time to do things together with all generations.

Rachel Richardson
Principal

STAFF UPDATE

We are very thankful to have two existing staff members who will be extending their capacity with us. Kathy Wohling who heads up our SACE administration, will also be working on Fridays in the Front Office until the end of the year. We appreciate her willingness to provide further administration support in our College.

Nate Richardson will also be continuing as one of our Wellbeing team until the end of the year.

We are sad however to announce that we will be saying goodbye to a couple of staff at the end of the year. Jeff and Kathy Jones will be finishing their time with us as they are needing to move to Adelaide for family reasons. Jeff has been doing an amazing job as Business Manager and Kathy has been a wonderful support to our Science team as a lab technician, so they are both going to be sorely missed for the skills they have brought to the team, but also for the way they have both served with such humility and passion for Christian education.

TERM 3 PUPIL FREE / START OF TERM

On Monday 22 July, staff will be completing professional development in Youth Mental First Aid or updating their child safe training in other areas.

KNOCKOUT NETBALL

In Week 5, The Year 7/8 and 9/10 girls participated in a Knockout Netball Competition in Port Pirie. The students all had a fantastic day and really tried their best.

In the 7/8 Netball, the girls were unlucky and were not able to come home with a deserved win as the first game was a forfeit from the other team. The girls tried hard in all their games and got better and better as the afternoon went on. Their closest game was against Whyalla where they lost 13-20.

The 9/10 Netball started off with the hardest game of the day against Gladstone, and each game after that got closer in score, with two games only being lost by 5 goals. In our final game of the day, we were up by two points at half time and the other team made some big changes and attempted a comeback resulting in a draw! The girls all put in so much effort on the court and should be congratulated on their sportsmanship.

Monique Eggers
Head of Primary

VIP DAY

We were lucky to be able to invite our Very Important People to the College on Friday 14 June. The SRC helped to greet everyone as they came in for Chapel run by the Year 6 class.

There were some beautiful things said about the VIP by the 1-4's and some Asian music performances from the Year 5 and 6 students. Foundations explained how they would babysit their grandparents and what activities they would get up to!

After Chapel, Primary classrooms were opened for our VIP to wander in and out of, completing crafts, interviews, games, and so many more activities.

Afternoon tea was certainly a highlight with some delicious coffee and food catered by the College. It was so great to see everyone enjoying themselves and catching up with others who they may not have seen in a while.

Thank you to the Grounds and Primary team for helping the day run smoothly, and to Belinda, Keren, and the PCF team for the wonderful catering. And thank you to all our delightful VIP who came and spent the afternoon with us!

Monique Eggers
Head of Primary

MID NORTH MINIS 'READY FOR SCHOOL'

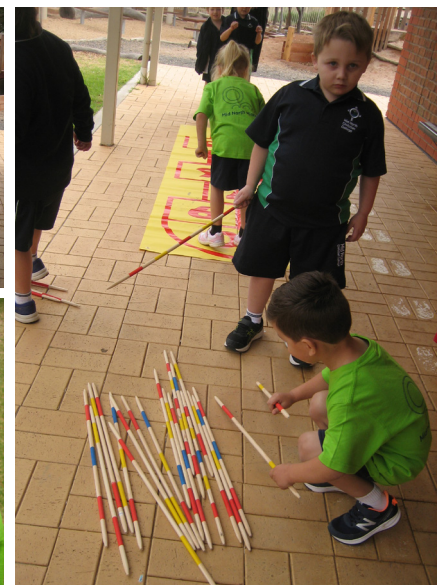

This term, our Mid North Minis 'Ready For School Program' has been in action with five Mid-Year Intake students coming along to school each Wednesday. These students are preparing to join our Foundation class full time in Term 3 and have had a wonderful time getting to know one another and learning the College routines.

Students have enjoyed games, songs, stories, gross and fine motor skill development, nature play and indoor play. Believe it or not, we have also squeezed in some learning about patterns, families, colours, ocean creatures, materials, and human body parts!

This all makes for a very busy time, and I am sure the students go home exhausted at the end of the day!

Mid North Minis Ready For School Program is available for children enrolled to start Foundation at the College the following semester.

Cathryn Steeles
Teacher

COMMUNITY & COLLEGE NOTICES

ROAD SAFETY CENTRE

The Road Safety Centre are looking for donations. If you're able to donate any helmets or bikes in good condition, please contact the Secretary, Bev Scarman on 0408 805 904 or bevscarman@gmail.com

NEWSLETTER HARDCOPY

If you would like to request our fortnightly newsletter in hard copy, please email our Promotions Officer.
