Week 10

PERSISTENT • SERVANT-HEARTED • FAITHFUL • GRATEFUL

4 JULY 2024

Dear Parents and Guardians

As I have walked around the College during the past term, there is so much I have been excited to observe.

I have walked past the Home Economics room and wonderful smells have wafted out and you would think we have an international restaurant in there.

I have walked through the Tech rooms and seen wood bent and built into incredible pieces of furniture. There is also an exciting go-kart project developing in another part of the Tech space.

I have walked into a room where 4 students cooperatively worked together to create and code a machine that may inspire new uses of technology to improve safety in workplaces.

I have walked into an art room, where students are discussing and creating personal reflections of human emotion and representing their own interests and passions, using so many different mediums and materials.

I have walked into a music room, where a group of passionate Year 9/10 students are developing skills to play different instruments, but also learning and succeeding in cohesively playing together as a band.

I have been on yard duty and observed more students happily playing a range of sports and games in the playground, on the COLA and oval, during the recess and break times than ever before.

I have heard students excitedly telling me about what they learned and discovered after being on an excursion or camp.

I have walked into classrooms and heard the rich discussions about life and faith in so many subject areas.

And there is so much more . . .

A visitor to our College the other day said to me after going on a tour around our College, "There is so much going on and you are achieving so much for the size school you are." And I agree.

God has blessed us with so many resources, skilled and passionate staff, so that we can help each of these young people grow and soar. They are being prepared with knowledge and skills through these experiences, but they are also developing the resilience and character that are foundational to all they do in life now and in the future.

I pray all our students and staff have a well-deserved break, but we look forward to many more exciting adventures together in Term 3.

Rachel Richardson
Principal

FARM SHED MUSEUM YEAR 1-3

On Thursday of Week 9, the Year 1/2 and 2/3 classes had the privilege of visiting the Farm Shed Museum in Kadina.

The students thoroughly enjoyed exploring old tractors and learning about historical farming methods. They were particularly fascinated by the antiquity of the machinery, which was beyond their comprehension. Additionally, they had the chance to ring the old school bell, which was extremely loud and left their ears ringing. Historically, this bell was used to signal students from Year 1 to Year 6/7 to march into the classroom, keeping time with a drumbeat.

Some students were also given the opportunity to lift the fire engine wagon and experience the weight firsthand, as well as ride on a very old school bus with open windows.

Some students noted how easy it would have been to jump off the bus. Overall, it was a fantastic day, and the students gained a wealth of knowledge from the experience.

Teacher

BOWMANS PARK EXCURSION

We had our Term 2 visit to Bowman Park in Week 4. Children enjoyed exploring the buildings – walking through them and learning what they had been used for, such as the reptile house. Some highlights were climbing and walking along the old ruins of houses and other buildings, playing in the nature play and cooking in the mud kitchen.

SA POWER NETWORK: VEX ROBOTICS COMPETITION

On Thursday Week 9 we sent 4 students to Adelaide to present their design in the SA Power Networks Robotics Competition. As part of the Year 11 Robotics, class students had to design and construct a robot to detect different fuse colours and remove fuses deemed "hot", with points awarded for how well the robot completed the tasks and automation of the motion.

The MNCC team designed a reliable design using a combination of vision sensors and limit switched to monitor position, and a lead screw from a 3D printer to reliably remove the fuse in a linear motion, all with automated stages.

The students came home with the Innovation Award for the best design and a cheque towards more VEX Robotics Components. Check out the full SA Power Networks writeup on the SAPN website.

Teacher

STAFF UPDATE

Samarn Meach is sadly going to be finishing her role at the end of the year. She has been such a wonderful chaplain/wellbeing support for so many students, families and staff for over 10 years, as well as coordinating many programs within the College.

Also, Monique Eggers has expressed that she will also be finishing at Mid North Christian College at the end of the year. She has brought so much positivity and organisation into the primary school as both a teacher and leader.

Both wonderful staff members are going to be greatly missed, but we are excited for what God has in store for their next season. We pray that they both enjoy the next two terms as they finish their fruitful season with us.

We also have some exciting news. Our Promotions Officer, Janae Nieass, is expecting a baby later in the year.

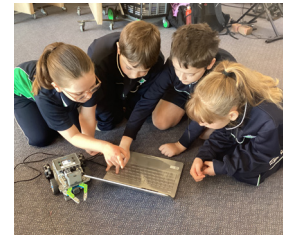

Bronwyne Van Leeuwen will also be starting her role as Head of Teaching and Learning next week, and we look forward to having her join the team.

Please be encouraged that we are already in the process of interviewing for some of the roles in the College for 2025. We are so thankful that God knows our needs even before we do, and He is our Provider.

Rachel Richardson
Principal

ROBOGALS VISIT

On Wednesday 3 July, we had Robogals come to visit our students. Here's a photographic update on what they got up to...

ADELAIDE CROWS VISIT (AFL WOMEN'S)

On Thursday 4 July, we had some of Adelaide Crows Women's team come to visit...

COMMUNITY & COLLEGE NOTICES

ROAD SAFETY CENTRE

The Road Safety Centre are looking for donations. If you're able to donate any helmets or bikes in good condition, please contact the Secretary, Bev Scarman on **0408 805 904** or **bevscarman@gmail.com**

PYJAMA DAY

We are excited to inform you that the SRC will be running a Pyjama Day Fundraiser on Friday 26 July, Week 1 of Term 3, for the Primary Students. National Pyjama Day is held each year to raise funds and awareness for children in foster care.

In recognition of our Christian ethos, and support of the day, Primary students are invited to bring a gold coin donation and wear their pyjamas or oodles. They should be modest and appropriate for the school environment. Appropriate footwear is still expected to be worn by students, i.e. closed in shoes not slippers, ugg-boots etc.

The Secondary Students are also going to join the fundraiser in a slightly different way. They are invited to wear "Oodies or Hoodies" on the same day (not pyjamas).

Please note, this is not a casual clothes day. Clothing items that are worn as pyjamas, are not included for the primary students, and "oodies or hoodies" are to be worn over uniforms for the secondary students.

More information regarding the Pyjama Foundation can be found at the link below. theyjamafoundation.com

We look forward to a successful day of fundraising together. If you would like to add an additional donation, this can be done using the below link or by scanning the QR code: **<https://fundraise.thepyjamafoundation.com/fundraisers/midnorthchristiancollege>**

NEWSLETTER HARDCOPY

If you would like to request our fortnightly newsletter in hard copy, please email our Promotions Officer.
